

Trophée Atlantique Rules

The Trophée Atlantique is entrusted to the Association France Dragon by Sophia and Poul Hoj-Jensen on a perpetual basis, it being up to AFD to ensure its proper conservation and insurance. The Trophée Atlantique is awarded to a Dragon helmsman/helmswoman and crew, without distinction of nationality, according to the regulations established by the AFD.

The events selected for the award of the Trophy must have been organized by Clubs on the Atlantic coast of the France exclusively.

1. Objective: to encourage and highlight helmsmen/women of all nationalities who participate in the annual flagship event organized respectively by the Deauville Yacht Club, the Société des Régates de Douarnenez, the Yacht Club de La Baule, and the Cercle de Voile de Cazaux Lac.
Other Clubs may eventually join this quartet with the approval of the AFD Bureau. The Trophy Rules will then be revised accordingly.
2. Calculation of points:
For each event, a minimum of ten classified boats is required to validate the award of Trophy points.
The first of each event marks the number of points corresponding to the number of classified + 10 points.
The second scores the points of the first - 1 point
The third scores the points of the first - 2
And so on, the last one scoring eleven points.
A non-participant scores 0 points.
3. Finalfinal: it is done on the three best results of the four events run.
A helmsman who has not run all the events will be ranked on the total of his scores in the events run.
The helmsman with the most points will be declared the winner.
In the event of a tie, the helmsmen will be decided according to the scores on the four events.
If the tie persists, it will be decided in favor of the helmsman with the most first place, then second place etc.
4. The winner will receive the Trophée Atlantique for one year.

5. The awards ceremony will take place during the AFD General Assembly closest to the last round.
6. A ranking of clubs will be established calculated on the total points of each helmsman member of the club.
7. Implementation in 2023 after approval by the AFD Board.
